Descendants of Jacob Moses Weiss

1 Jacob Moses Weiss b: 1768 Floss d: Aft. 1833 Floss
+Gella Bloch b. Abt 1770 Floss m. 1799 Floss

We are not certain of the parentage of both these people. But they seem to be from Floss Jewish families. From what is known to us they had 5 children, 2 sons and 3 daughters. Two of these daughters had extensive families that we do not detail here. They are:

The third child Feigele (Francziska) Weiss b. Abt 1805 Floss d. 14.6.1871 Pressburg
who married Mordechai Markus Prager b. Abt 1799 d. 27.10.1877 Pressburg
They lived in Pressburg, today called Bratislava.

Together they had 10 children, 42 grandchildren and the numbers ballooned from there. Very religious family. Many, many were killed in the Holocaust. Today many of their descendants live in Bnei Barak, Jerusalem , Brooklyn, and Monsey. There are many Satmar and other rabbis among them. But the actress Rachel Weisz is also in this tree (so there are some non-religious). They, and some of their children, appear in the book "Pinkas HaMohel" by "Chatam Sofer", which is a famous book and rabbinical reference source. Details of this family can be found on my Ancestry page.

The fourth child Breindel (Babette) Weiss b: June 26, 1810 in Floss d: February 22, 1890 in Weiden
married Abraham Anschl Boskowitz b: January 12, 1794 in Floss d: July 22, 1856 in Ottobad and buried in Floss. They married on September 16, 1835 in Floss.

Full details on the descendants of Abraham Anschl Boskowitz and Breindel (Babette) Weiss can be found on the Boskowitz family tree.

The other three children and their descendants are listed below.
