

Ancestors, mainly from the Warsaw side. Almost all this information has been found by Sophia Lazebnik.

Dates for the people from Kaluszyń (Warsaws) are fairly accurate. Dates from those from Stanisławów (Pinkusowicz) may be inaccurate. Parents often registered many of their children together, a few years after birth. The same for marriages and births. Exact dates may be further off because this area was in the Russian empire up until WWI that used the Julian or Old Style Russian calendar which was 12 days behind the Gregorian calendar that is used today.

The parents of Sara Feige Pinkus (Bubbe) are listed below in 1.3.5, paternal grandparents in 1.3, and paternal great-grandparents in 1.
