From another page:

My dear late mother passed away on June 9th 1941. Sara nee Flosser
 from Fuerth. She was the "adopted" daughter of her uncle Hons
 Hirschl, her father's brother.

Anton Beskowitz, son of Abraham Beskowitz died at Clayburn
 in Southern America on the consequences of the Yellow Fever
 on July 30th 1855. He was taken care of as our foster
 child till he was 15 years old. Only too early was this noble
 youth taken away from us. He only reached the age of 18 years.
