2. Sara Boskowitz
+ Salomon Hoenig m. 1766 Floss

Sara and Salomon do not appear in the thesis about Jewish Floss by Renate Hopfinger. Their existence is attested to by a file in the Sulzbach archive. A request from Salomon for the registration of his marriage with the approval of Sara and her father Aron. It seems that daughters were often not registered at that time. We have found no further details or descendants from this marriage.

*For Descendants of Abraham and Moses, see Family Tree of Ploch/Bloch.
Many of the family spelt their name Boskowitz, and there were other spellings.
There was generally no consistency.*
